

What Is A School – Parent Compact?

“Each school receiving Title I, Part A Funds shall jointly develop with parents a school-parent compact that outlines how parents, the entire school staff and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State’s high standards.” – Public Law 114-95, Section 1116 (d)

Texas Preparatory School is committed to providing high quality curriculum and instruction.

Jointly Developed with Parents

The parents, students and staff work together and share ideas to develop the school-parent compact. A Title I school meeting is held each year to review and revise the compact based on the school’s academic achievement goals and students’ needs.

Parents are welcome to provide feedback at any time. All feedback will be collected and reviewed during the annual revision meeting with parents.
